

Do you feel that the Chapter 17 Pedigree Activity gave you a better understanding of the topic?

On the Chapter 17 Pedigree Activity:

"The Chapter 17 Activity was the perfect summary to help review what we were taught in lecture."

- *Arielle Garcia, California State University, Fullerton*

On the Chapter 7 Respiration Activity:

"I prefer to do in class activities over lecturing and taking notes because I learn much better when given something to do rather than something to memorize."

- *Matt Egbert, Idaho State University*

On the Chapter 47 Ecology Game Show Activity:

"It made learning fun and we got to work together on teams to find the answers. It helped prepare me for the final. I wish this was available for all the topics!"

- *Ashton Allred, North Carolina State University*
