First Day of Class

FLIP/It

To get into FlipIt, start from this URL:
www.FlipItEcon.com

- Locate "Get access to FlipItEcon" and click "Student"
- Complete the Account Creation Page and click "Register"
- You'll receive an email with a link to continue your registration and create a password
- Set up your profile and then choose the "Enrollments" tab.
- Enroll in this course by entering in the Course Access Key.

The Course Access Key for this course is: [paste your customizable course access key here which can be found in *Instructor Links > Global Course Settings*]

GRACE PERIOD: You have 21 days from when you create an account to access full course content before you are required to purchase access or redeem an access code.
There are two ways to proceed:

Option 1
Enter your student access code.

If you purchased a printed access card in the bookstore, select REDEEM on your account page and enter the code.

Option 2
Purchase online.

If you wish to purchase access online, select PURCHASE on your account page. Complete the billing and credit card information. Save your confirmation screen.
