

# First Day of Class

To get into Fliplt, start from this URL:  
[www.FlipltPhysics.com](http://www.FlipltPhysics.com)

- Locate “Get access to FlipltPhysics” and click “Student”
- Complete the Account Creation Page and click “Register”
- You’ll receive an email with a link to continue your registration and create a password
- Set up your profile and then choose the “Enrollments” tab.
- Enroll in this course by entering in the Course Access Key.

The **Course Access Key** for this course is: [\[paste your customizable course access key here which can be found in \*Instructor Links > Global Course Settings\*\]](#)

GRACE PERIOD: You have 21 days from when you create an account to access full course content before you are required to purchase access or redeem an access code.

## There are two ways to proceed:

### Option 1

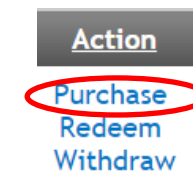

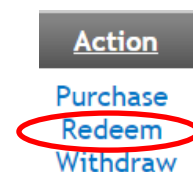

**Enter your student access code.**

If you purchased a printed access card in the bookstore, select REDEEM on your account page and enter the code.

### Option 2

**Purchase online.**

If you wish to purchase access online, select PURCHASE on your account page. Complete the billing and credit card information. Save your confirmation screen.

Go to [macmillanhighered.com/getsupport](http://macmillanhighered.com/getsupport) for help articles and information on how to contact Macmillan.

**Have a fantastic semester!**
