

PsychInquiry CD

Activity name:	Long-Term Memory for Common Sounds
Student's name:	

Instructions: Complete this worksheet and hand it in to your instructor.

Questions

1. Fill in your response, the actual sound, and the percentage of other students who correctly identified that sound.

Sounds	Your Response	Actual Sound	Other Students % Correct
Sound 1			
Sound 2			
Sound 3			
Sound 4			
Sound 5			
Sound 6			
Sound 7			
Sound 8			
Sound 9			
Sound 10			
Sound 11			
Sound 12			
Sound 13			
Sound 14			
Sound 15			

2. Considering the effects of context, explain why no student was able to correctly identify the sound of an umbrella opening?
