PsychSim 5: Hunger and the Fat Rat

## **PsychSim 5: HUNGER AND THE FAT RAT**

Name: Se	ection:
Date:	
This activity provides a simulated experiment on weight regulation	in rats.
The Hypothalamus  • What are the two techniques used to study hypothalamic dys	function? How do they differ?
<ul> <li>Experimental Simulation</li> <li>What conclusions were you able to draw about the effects of experimental rats:</li> </ul>	the following procedures on the
• Stimulation of the lateral hypothalamus (LH)?	
• Destruction of the LH?	
• Stimulation of the ventromedial hypothalamus (VMH)?	
Destruction of the VMH?	
What did you learn from this experiment about these two reg	gions of the hypothalamus?

## **Some Cautions**

• What are the two problems with a simple conclusion to this research question?
