Student Text Book

Page 390, Question 3. Answer choices A.-D. Each of the variables (X, Y, Z) in the answer choices should have a prime mark after them.

Page 496, Ex. 8a. The top side of the figure should also have a label reading “8 cm”.

Page 503, Ex. 12. The beginning of the question should say, “The figure below shows a **square** target.” Each of the four shaded areas in the figure should be labeled “20 cm”.

Page 598. Section header should read “Solving a one- **or a** two-step...”
