| Activity name:  | Primacy and Recency Effects |  |
| Student's name: |                             |  |

Instructions: Complete this worksheet and hand it in to your instructor.

| Questions | S |
|-----------|---|
|-----------|---|

| 1. | Which words did you correctly remember?                      |  |  |  |  |
|----|--|--|--|--|--|
|    |  |  |  |  |  |
|    |  |  |  |  |  |
|    |  |  |  |  |  |
|    |  |  |  |  |  |
|    |  |  |  |  |  |
| 2. | What is the primacy effect?                                  |  |  |  |  |
|    |  |  |  |  |  |
|    |  |  |  |  |  |
|    |  |  |  |  |  |
|    |  |  |  |  |  |
|    |  |  |  |  |  |
| 3. | What words that you remembered demonstrate a primacy effect? |  |  |  |  |
|    |  |  |  |  |  |

| 4. What is the recency effect?  |
|---|
|   |
|   |
|   |
|   |
|   |
| 5. What words that you remembered demonstrated a recency effect?                            |
|   |
|   |
|   |
|   |
|   |
| 6. What does memory consolidation have to do with disruption of short-term memory encoding? |
